To all of the still current members of the Golden Oldies Motor Club.....Greetings from the "NEW" old Prez!!

It is with much enthusiasm that I take over the reins of leadership for the Golden Oldies, and I hope to move this club forward in the next few months. I have been away for some time now, but am glad to be back!! For those of you who know me, I'm sorry, but I'm still the same person, just a lot older....to those of you whom I haven't had the pleasure of a one on one meeting, hang onto your hat....this is gonna be a HELL of a RIDE!!! I'm now 63 yrs. old and don't care if I step on any toes!!

Anyhow, I am back and hope to help the club maintain forward momentum in our endeavors!

Until the next meeting, " KEEP on CRUISIN' " !!!

Here is a brief history rundown as I remember from my time in the club, the club was originally formed back in the mid to late '70s, it almost fell apart in 1996 after a big fight between members and we lost all of our officers in one night. I immediately picked it up and carried it for about 2 yrs. out of pocket, before getting help from Joe Cashio, Billy Carter, Kevin Sims, Tony Kinchen and their wives! The regular monthly cruise nights started out at the original Russells' Grille in Town & Country Plaza where Advance Auto Parts now sits, then moved to current Walmart for a few months, then to Seville Plaza when Russells' reopened, then back to Town and Country Plaza, when Advanced opened and invited us back, After a couple years the new T&C owners run us out of the Advance parking area, then over to Hammond Square by the duck pond. Then over to Schwegmans for a few months(courtesy of Ed Hoover) then over to Hobby Lobby for a long run there (also courtesy of Ed Hoover). Tony Kinchen was a great help during this time in getting Ed Hoover to help us out with locations!!! i also started making our own plaques for the cruise nights because it was getting really expensive to get them done on time from Land of Sports!! i might be partial, but i think mine were much better, more of a personal touch every month!! I really enjoyed my time with the club, and was given a life membership, but after losing my mother in 2004, a year later I kinda fell apart from all the stress of the GOMC, our local AmVets post, and the local Amateur Radio club of which I was a lead officer in each one!
